Introduction

Skill-Up With Kahdsole was launched in 2020 as a result to create a socially impacted society. We understood the need to give people in underserved communities an opportunity to learn valuable skills and become economically independent.

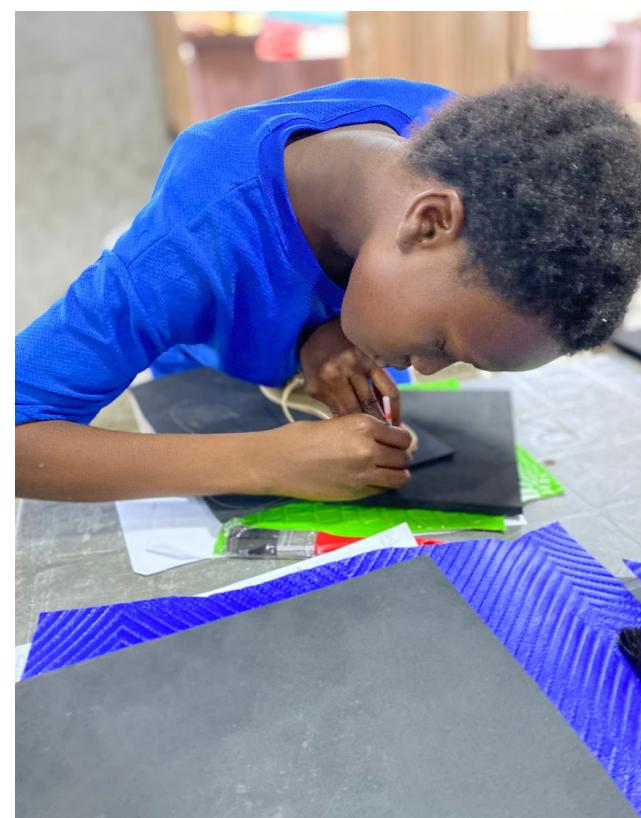

Mission

Our mission is to empower young Africans through leadership, entrepreneurs and creativity by providing skills and tools for personal and community transformation

Vision

Our vision is to become a hub for developing leaders in the fashion space who will contribute to changing the narrative about Africa.

Our Value

Our Core Values

- Excellence
- Integrity
- Impact
